Stunning END UNIT in the fabulous location of Beacon Townes! This low maintenance condo has been completely remodeled head to toe. Looks like something right out of HGTV! BRAND NEW KITCHEN with farmhouse- style sink, quartz countertops, backsplash, pull out shelving, light fixtures, designer finishes, new appliances and brand new LVP flooring throughout the entire home! Every inch has been freshly painted and boasts a sunny, open- concept floor plan. Brand new washer & dryer with barn doors give it a stunning finishing touch. Downstairs master bedroom is huge with an incredible walk-in closet, custom shelving system and remodeled master bathroom with new sinks, vanity, tile flooring, cabinetry & and owners even just added a BRAND NEW hot water heater. Downstairs half bathroom has been completely remodeled with gorgeous tile with comfort height toilets throughout. Upstairs are 2 additional bedrooms + loft area. Brand new LVP flooring up here and you can really appreciate the beautiful pond view. Upstairs bathroom completely remodeled with new vanity, tile flooring, light fixtures, deep tub, and it truly looks like you are at a 5-star resort spa! This home has a ton of wonderful storage closets, and the nice hidden surprise is that the owner's added a top of the line BRAND NEW HVAC and included the ventilation into the attic with finished space that can be used as a hobby room, conditioned storage, or even
